

Advanced Control Solutions, Inc.

ACSI Training Series: Basics of HMI Application Development, Maintenance, and Troubleshooting

ACSI is now offering a 3 day training course on the basics of HMI applications at our Sylvania, Ohio location.

This training class is intended for Plant Engineers, Maintenance Technicians, and Electricians who need to maintain, troubleshoot, backup or make modifications to an existing Wonderware InTouch™ Application. Trainees may bring a copy of an InTouch Application from their facility to use during Labs. (For daily training agenda please visit www.acsitoledo.com)

Date: April 27th-29th (Please register ASAP as space is limited)

Cost: \$1,200.00 per person

Lunch will be provided daily by ACSI

To register or request additional information,
Please Contact: Katie Marconi

Phone: (419)843-4820

Fax: (419)843-4821

E-mail: katiemarconi@acsitoledo.com

The logo for Advanced Control Solutions, Inc. (ACSI) features the letters "ACSI" in a bold, gold, serif font. The letters are set against a dark green, slightly textured rectangular background that has a subtle gradient and a slight shadow effect.
